David Ogburn: Board Chair

Chloe Coney: President/CEO

Mission Statement

Our mission is to raise the economic, educational and social levels of the residents of economically depressed areas in Hillsborough county, Florida by creating jobs, providing job training, community building, promoting entrepreneurship, developing youth leadership and commercial revitalization.

Beliefs

- ◆ Children are a valuable resource because they represent our future. We must be strong in our commitment to them so they can thrive and grow.
- ◆ Revitalization includes responding to the physical, economic and emotional needs of a community's residents by educating and empowering them to take control of our lives:

“Helping People to Help Themselves.”

Guiding Principles

- ◆ To change the way people who live in poor communities perceive their opportunities and equally important, to change the way the outside world responds to them.
